APRIL FEATURES

Pepperoni Rolls

This may be our best-kept secret. Pop into the bakery on **WEDNESDAY through SATURDAY** and pick up a Pepperoni Roll or two for an easy lunch or dinner. Pepperoni slices, Mozzarella and garlic are packed into our fresh dough and baked to a golden brown. Simply reheat, add a salad and enjoy.

Green Chile Cheddar Sourdough

What do the bakers love? This one is Steve's personal favorite! Our traditional sourdough, with a unique blend of green chiles, chopped onion, garlic and chunks of Cheddar cheese. **FRIDAYS and SATURDAYS.**

Stout and Gouda Bread

St Paul's own Summit Brewery Oatmeal Stout straight from the keg, along with some Gouda cheese, makes a tasty bread. **SATURDAYS.**

Lemon Lovers Rejoice!

We love baking with lemon. It's so bright and fresh and makes us think of spring and summer, and who can't use more of that!

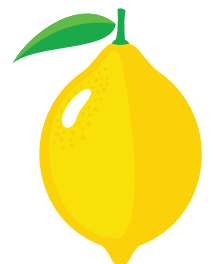

Check out our lemon lineup!
